

# The Vamps - Million Words

Tom: E

<sup>E</sup>  
All the times that it slipped out my dimension  
<sup>B</sup>  
That you're the one I need and if I forgot to tell you  
<sup>Dbm</sup>  
I was wrong to ever doubt it and you're all I think about,  
yeah  
<sup>A</sup>  
There's a million words I shoulda said  
<sup>E</sup>  
I remember you were standing in my doorway  
<sup>B</sup>  
And the words were on my lips, that you never looked so  
beautiful  
<sup>Dbm</sup>  
Oh just to be near you, don't you know how good that feels?  
<sup>A</sup> <sup>Abm</sup>  
These are all the things I should've said  
<sup>Gbm</sup> <sup>Abm</sup> <sup>A</sup>  
Did I miss my chance? Is it too late to say?

[Refrão]

<sup>E</sup>  
Now I'm half a world away from you  
<sup>B</sup>  
But you're always on my mind  
<sup>Dbm</sup>  
There's a million words that I could've said  
<sup>A</sup>  
That you might still be mine  
<sup>E</sup>  
And if there's someone where I used to be  
<sup>B</sup>  
I hope he tells you every day  
<sup>Dbm</sup>  
The million words that I should've said  
<sup>A</sup> <sup>E</sup>  
I wish I could tell you, always  
<sup>E</sup>  
When you were mine, did I push you far away?

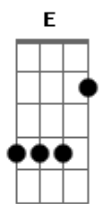

<sup>B</sup>  
Blamed this whole weight on my shoulders bearing down on me  
<sup>Dbm</sup>  
But then I only had to see you, don't you know how good that  
feels?  
<sup>A</sup> <sup>Abm</sup>  
These are all the words I should've sent  
<sup>Gbm</sup> <sup>A</sup>  
Did I miss my chance? Is it too late to say?

[Refrão]

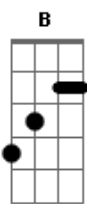

<sup>E</sup> <sup>B</sup>  
And if I could only catch your eye and throw a smile  
<sup>Dbm</sup>  
Maybe I could stop to say what's screaming in my mind  
<sup>A</sup>  
You should know that what I want to say could take all night  
<sup>Abm</sup>  
Or my whole life  
<sup>Gbm</sup> <sup>Abm</sup>  
Do I get a second chance to make you mine tonight?

<sup>E</sup>  
Now I'm half a world away from you  
<sup>B</sup>  
But you're always on my mind  
<sup>Dbm</sup>  
There's a million words that I could've said  
<sup>A</sup>  
That you might still be mine  
<sup>E</sup>  
And if I ever get the chance again  
<sup>B</sup>  
I would tell you every day  
<sup>Dbm</sup>  
With the million words that I should've said  
<sup>A</sup> <sup>E</sup>  
I wish I could tell you, always  
<sup>B</sup> <sup>Dbm</sup>  
Always, always  
<sup>A</sup> <sup>E</sup>  
Always, always
