

The Vamps - Sometimes

Tom: G

Should I be waiting on the high life
 Where we all drink champagne?
 Fly first class on jet planes
 Rut shoulders in the right way
 We had a conversation about
 How I should be received
 And everyone agreed, everyone except me
 Maybe I'm selfish, could be obscene
 But it feels like home when you're next to me
 And I don't wanna leave, if I had a choice
 Well then, I'd choose to make you walk
 A mile in my shoes what have you got to lose?
 So I've been waiting for an opportunity
 Just to speak my mind, if that's alright
 Might just be a couple hours out of my whole week

Usually I'm fine, it's okay not to be okay sometimes
 I've been looking for some comfort in a stranger's bed
 All it does is f my head up
 Now I'm right back to square one
 But if you're looking for some comfort
 I've come to the right place
 We all get down some days
 I struggle just to put my t-shirt on
 But I hope you find some strength in this song
 Maybe I'm selfish, could be obscene
 But I'm just tryna make you see what I see
 Everyone's like me
 So I've been waiting for an opportunity
 Just to speak my mind, if that's alright
 Might just be a couple hours out of my whole week
 Usually I'm fine, it's okay not to be okay sometimes
