The Vamps - Sometimes

Tom: G

G Should I be waiting on the high life D Where we all drink champagne? Am Fly first class on jet planes Rut shoulders in the right way G We had a conversation about D How I should be received Am And everyone agreed, everyone except me G Maybe I'm selfish, could be obscene But it feels like home when you're next to me And I don't wanna leave, if I had a choice D Well then, I'd choose to make you walk Am A mile in my shoes what have you got to lose? D So I've been waiting for an opportunity Am C Just to speak my mind, if that's alright D Might just be a couple hours out of my whole week

Acordes

Usually I'm fine, it's okay not to be okay sometimes G I've been looking for some comfort in a stranger's bed Am All it does is f my head up Now I'm right back to square one But if you're looking for some comfort I've come to the right place We all get down some days I struggle just to put my t-shirt on But I hope you find some strength in this song Maybe I'm selfish, could be obscene Am But I'm just tryna make you see what I see Everyone's like me G D So I've been waiting for an opportunity Am Just to speak my mind, if that's alright G D Might just be a couple hours out of my whole week С
