

The Vamps - Stolen Moments

Tom: C

C
You tell me I'm a friend, but confused minds and blurred lines
G7
Have brought it to an end, and all that is left now
Am F
Is where it's going to end? I don't know, no
C
It used to be enough, to have you around me,
G7
Before we said to much, now you can't be around me
Am F
Cause now you find it hard, not to drop your guard, oh, not to
drop your guard

C G7
I'm breaking in, to steal it all

C G7
Call me a thief, girl if you want

C
There's no way to defend, when you pull all the walls down
G7
It's harder to pretend, but I don't want it all now
Am F
I need it even more, every time you go, I, I hate to watch you

go

C G7
I'm breaking in, to steal it all

C G7
Call me a thief, girl if you want

C G7
We're the puzzle I can't fix, a million pieces still missing
Am
When I look at you and me, I still can't tell what this is
F
G7
But it's out of my control, love's a hole you say you don't
wanna fall in, but you keep falling

C G7
I'm breaking in, to steal it all

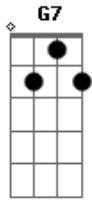

C G7
Call me a thief, girl if you want

Am C F G7
That I spent with you, that I spent with you, that I spent
with you, that I spent with you
