

# The Vamps - Waves

Tom: G

My hands are shaking  
 Holding photos taken  
 And I wanna get you out of my head  
 I'm bruised and broken  
 By the words I've spoken  
 And there's not much of me left  
 The cold in my bones  
 I feel it in any weather  
 Ghosts in my home  
 They leave 'cause they can find much better  
 Lo and behold, I'm on my own  
 With only myself to blame  
 'Cause I'm a fool  
 I let you down, I let you down  
 I made waves, and I'm ashamed  
 This all for you  
 I let you down, I messed around  
 I made waves, my mistakes, yeah  
 I know I'm not perfect  
 And I know you're hurting  
 I'm sorry that I wasn't there  
 When I call in the morning  
 Without any warning  
 I'll say all the things that I should've said  
 The cold in my bones  
 I feel it in any weather

Ghosts in my home  
 They leave 'cause they can find much better  
 Lo and behold, I'm on my own  
 With only myself to blame  
 'Cause I'm a fool  
 I let you down, I let you down  
 I made waves, and I'm ashamed  
 This all for you  
 I let you down, I messed around  
 I made waves, my mistakes, yeah  
 So can't we go back, can't we go back  
 To when nothing really mattered at all?  
 So can't we go back, can't we go back? Yeah  
 'Cause I'm a fool  
 I let you down, I let you down  
 I made waves, and I'm ashamed  
 This all for you  
 I let you down, I messed around  
 I made waves, my mistakes  
 I'm a fool  
 I let you down, I let you down  
 I made waves, and I'm ashamed  
 This all for you  
 I let you down, I messed around  
 I made waves, my mistakes, yeah  
 I made waves  
 All for you  
 I let you down
