

# The Verve - Weeping Willow

Tom: G

(intro) Em D C D

When morning breaks  
 We hide our eyes and our love's aching  
 Nothing's strange

It was in our hands  
 From six to ten  
 It slipped right out again

There'll be no better time  
 There'll be no better way  
 There'll be no better day to save me  
 Save me  
 Yeah save me  
 Yeah save me

I hope you see like I see yeah yeah  
 I hope you see what I see yeah yeah  
 I hope you feel like I feel  
 ( Em D C D )

And the world don't stop  
 There is no time for cracking up  
 Believe me friend

'Cause when freedom comes  
 I'll be long gone  
 You know it has to end

There'll be no better time  
 There'll be no better way  
 There'll be no better day to save me  
 Save me

Yeah save me  
 Yeah save me  
 I hope you see like I see yeah yeah  
 I hope you feel what I feel yeah yeah  
 Someone to stand beside me  
 ( Em D C D ) (through the repetitions)

Beside me  
 Beside me  
 Beside me  
 Beside me  
 Beside me  
 Beside me  
 Beside me

Beside me

Weeping willow  
 The pills under my pillow  
 Weeping willow  
 Pills under my pillow  
 Weeping willow  
 The gun under your pillow  
 Weeping willow  
 Weeping willow

( Em D C D ) ('til the end)
