A D A G
Underneath the lights, on the stage in my hometown
A D A G
You've never seen the likes so many people singing aloud
A D A G
Sing along to my songs, speak in your ear, tear you to the bone
A D A G
To much is never enough, no matter how much, they'll always want more
C A C A
All the people so friendly, now all they do is apologise
C A C B
And all the people so friendly, we're gonna dance dance
Bb A D A G (A D A G)
Dance into the night
A D A G
We drink like the irish, one second you're as high as a kite
A D A G
The next you're on the floor, you know the scots, there's always a fight
A D A
G
Has there ever been reason to bite, keep your lips underneath you as hard as you might
A D A G
And pour them from the height and drown me in the cloud of the light
C A C A
And all the people so friendly, now all they do is apologise
C A C B
And all the people so friendly, we're gonna dance dance
Bb A
Dance before the fight
A E Gbm D
And now we've kissed, lets make the most of this
A E Gbm D
I don't care whos wrong, I just don't wanna go home alone
(A D A G)
(A D A G)

A D A G
I sacraficed the light, a party life never ignored
A D A G
Give me all you've got, I can take it all and more
A D A G
Seen it in the film before stingy types and drugs on the go
A D A G
I've seen this before, it's your turn to show me to the door
C A C A
Ah you used to be so friendly, now all you do is apologise
C A C B
Before you go on your frenzy, lets dance dance

Bb A
Dance into the night
A E Gbm D
And now we've kissed, lets make the most of this
A E Gbm D
Before the night turns sour lets use this final hour (sweetheart)
A E Gbm D
And now we've kissed, oh, lets make the most of this
A E Gbm D
I don't care whos wrong, I just don't want to go home alone
D G
You're outta line, you're outta line you're outta line, go home
D G
You're outta line, you're outta line you're outta line, go home
D G
You're outta line, you're outta line you're outta line, go home
