**Dbm**  
 Times are hard when real things  
 We have are bending  
 The world is coming to an ending  
 And our time is gone so we keep on  
 This fake feeling we are sending  
 The love we keep on pretending  
 We will always have  
 But now I?m glad that everything  
 I?ve known was true  
 My life has always been so blue  
 But it turned me mad  
 So I carry the feeling that I felt for you  
 The pain that always sticks as glue  
 So with all that said

**Dbm**  
 So I?m Waiting  
 Waiting on a love to come  
 Waiting for my heart to burn  
 Cause my world ain?t done  
**Dbm**  
 I?m still Waiting  
 Waiting on a love to come  
 Cause my heart is still undone  
 And my life will turn

**Dbm**  
 Life is tough when

All things got no meaning  
 We keep on pushing through  
 Some feeling wich was never there  
 But my tries never ever felt this way  
 Always had some things to say  
 But I always held

**Dbm**  
 So I?m Waiting  
 Waiting on a love to come  
 Waiting for my heart to burn  
 Cause my world ain?t done  
**Dbm**  
 I?m still Waiting  
 Waiting on a love to come  
 Cause my heart is still undone  
 And my life will turn
