The Walkers - There's no more corn on the Brasos

```
Tom: G

            G                          C              D     G
A     D
There's no more corn on the Brasos - o oho oho
                C                           G  Em  Am  D7 G  D
They grinded it all up in molasses - o oho oho

G                                          C               D
G             A    D
Captain, don't you do me like yoz've done for Shine - o oho
oho
                        C                                    G
Em    Am  D7  G  D
Well, you've driven that bully till he went stone blind - o
oho oho

G                                  C        D   G       A      D
You've come on the river in 1904 - o oho oho
                   C
G             Em    Am D7 G  D
You could find many dead men on every turn of the road - o oho
oho

G                          C              D    G       A
```

```
D
There's no more corn on the Brasos - o oho oho
                    C                      G       Em   Am  D7 G
D
They grinded it all up in molasses - o oho oho
G                                 C      D  G      A     D
You've been on the river 1910 - o oho oho
                             C
G            Em   Am  D7 G  D
Well, they're drivin that women like they drive the men - o
oho oho

G                           C                    D         Em
A    D
Rise up all dead men, help me drive my load - o oho oho
          C                                          G
Em    Am D7 G  D
Oh, rise up all dead men, help me drive my load - o oho oho

 G                          C              D     G        A
D
There's no more corn on the Brasos - o oho oho
                    C                       G     Em   Am D7 G  D
They grinded it all up in molasses - o oho oho
```
