

# The Wallflowers - Another One In The Dark

Tom: B

m <sup>D</sup>  
We took 'em high, we took 'em straight up the hill <sup>G</sup>  
<sup>D</sup> They wanted it all, we gave 'em such a fill <sup>G</sup>  
<sup>D</sup> In their parades we stole every thrill <sup>G</sup>  
<sup>D</sup> And in their games we made every kill

<sup>D</sup> We took them hard, we took them up against the wall <sup>G</sup>  
<sup>D</sup> In their loss we never let them fall <sup>G</sup>  
<sup>D</sup> In their flames we sailed up to the moon <sup>G</sup>  
<sup>D</sup> In their rains we stayed dry like a fire would

<sup>D</sup> So the bottom of my fears <sup>D7M</sup> <sup>Bb</sup>  
<sup>D</sup> Is that the girl might just disappear <sup>G</sup>  
<sup>D</sup> But that'll be the death of me <sup>A</sup>  
The day she's just a memory  
( Bm Bm A G Bm Bm A G )

<sup>Bm</sup> Well she turned out the lights  
When she opened the whites of my eyes <sup>D</sup>  
Another one in the dark <sup>Gbm</sup> <sup>Bm</sup>  
Broken hearted mama <sup>A</sup> <sup>G</sup> <sup>A</sup> <sup>A7M</sup>  
Just another one in the dark

<sup>D</sup> When we rolled, rolled on like a big drum <sup>G</sup>  
<sup>D</sup> We went to the top just above everyone <sup>G</sup>  
<sup>D</sup> They wanted to win, tie us up with a string, and steal everything <sup>G</sup>  
<sup>D</sup> We took 'em skin on skin, we laid 'em down in the ring

<sup>D</sup> So I swear, we're a pair <sup>D7M</sup> <sup>Bb</sup>  
<sup>D</sup> Like loneliness and a prayer <sup>G</sup>  
And you know I may still believe <sup>G</sup>  
You may still need me <sup>A</sup>  
( Bm Bm A G Bm Bm A G )

<sup>Bm</sup> Well, she turned out the lights  
When she opened the whites of my eyes <sup>G</sup>  
Another one in the dark <sup>D</sup>  
<sup>Gbm</sup> Broken from the start <sup>Bm</sup>  
<sup>A</sup> Just another one in the dark <sup>G</sup> <sup>A</sup> <sup>A7M</sup>

<sup>D</sup> And in their nights we made out with a loud scream <sup>G</sup>  
<sup>D</sup> And in their sleep we howled inside every dream <sup>G</sup>  
<sup>D</sup> So if you're trying to break me <sup>D7M</sup> <sup>Bb</sup>  
<sup>D</sup> Come on why don't you shake me <sup>G</sup>  
Right out of my tree, the one that you made me, me <sup>A</sup>  
<sup>Bm</sup> Well, she sang out of tune  
When she shot down the moon <sup>G</sup>  
As I saw my all freeze  
Down onto my knees  
Where I was hit at the hip, between the cup and the lip <sup>Bm</sup>  
<sup>G</sup> As I was struck down under, with lightning and thunder  
<sup>Bm</sup> As she cut all the strings, that I'd tied to her wings <sup>G</sup> <sup>D</sup> <sup>Gbm</sup> <sup>Bm</sup>  
Leaving me in the dark, we stood just feet apart <sup>A</sup> <sup>G</sup> <sup>A</sup> <sup>A7M</sup> <sup>D</sup>  
But she never seen me at all
