

# The Wallflowers - Another One In The Dark

Tom: B

m <sup>D</sup>  
 We took 'em high, we took 'em straight up the hill <sup>G</sup>  
<sup>D</sup>  
 They wanted it all, we gave 'em such a fill <sup>G</sup>  
<sup>D</sup>  
 In their parades we stole every thrill <sup>G</sup>  
<sup>D</sup>  
 And in their games we made every kill

<sup>D</sup>  
 We took them hard, we took them up against the wall <sup>G</sup>  
<sup>D</sup>  
 In their loss we never let them fall <sup>G</sup>  
<sup>D</sup>  
 In their flames we sailed up to the moon <sup>G</sup>  
<sup>D</sup>  
 In their rains we stayed dry like a fire would

<sup>D</sup> <sup>D7M</sup> <sup>Bb</sup>  
 So the bottom of my fears  
<sup>D</sup> <sup>G</sup>  
 Is that the girl might just disappear  
<sup>D</sup>  
 But that'll be the death of me  
<sup>A</sup>  
 The day she's just a memory  
 ( <sup>Bm</sup> <sup>Bm</sup> <sup>A</sup> <sup>G</sup> <sup>Bm</sup> <sup>Bm</sup> <sup>A</sup> <sup>G</sup> )

<sup>Bm</sup>  
 Well she turned out the lights  
<sup>G</sup>  
 When she opened the whites of my eyes  
<sup>D</sup>  
 Another one in the dark  
<sup>Gbm</sup> <sup>Bm</sup>  
 Broken hearted mama  
<sup>A</sup> <sup>G</sup> <sup>A</sup> <sup>A7M</sup>  
 Just another one in the dark

<sup>D</sup> <sup>G</sup>  
 When we rolled, rolled on like a big drum  
<sup>D</sup> <sup>G</sup>  
 We went to the top just above everyone  
<sup>D</sup> <sup>G</sup>  
 They wanted to win, tie us up with a string, and steal everything  
<sup>D</sup>  
 We took 'em skin on skin, we laid 'em down in the ring

<sup>D</sup> <sup>D7M</sup> <sup>Bb</sup>  
 So I swear, we're a pair  
<sup>D</sup> <sup>G</sup>  
 Like loneliness and a prayer  
<sup>G</sup>  
 And you know I may still believe  
<sup>A</sup>  
 You may still need me  
 ( <sup>Bm</sup> <sup>Bm</sup> <sup>A</sup> <sup>G</sup> <sup>Bm</sup> <sup>Bm</sup> <sup>A</sup> <sup>G</sup> )

<sup>Bm</sup>  
 Well, she turned out the lights  
<sup>G</sup>  
 When she opened the whites of my eyes  
<sup>D</sup>  
 Another one in the dark  
<sup>Gbm</sup> <sup>Bm</sup>  
 Broken from the start  
<sup>A</sup> <sup>G</sup> <sup>A</sup> <sup>A7M</sup>  
 Just another one in the dark

<sup>D</sup> <sup>G</sup>  
 And in their nights we made out with a loud scream  
<sup>D</sup> <sup>G</sup>  
 And in their sleep we howled inside every dream  
<sup>D</sup> <sup>D7M</sup> <sup>Bb</sup>  
 So if you're trying to break me  
<sup>D</sup> <sup>G</sup>  
 Come on why don't you shake me  
<sup>D</sup> <sup>A</sup>  
 Right out of my tree, the one that you made me, me

<sup>Bm</sup>  
 Well, she sang out of tune  
<sup>Bm</sup>  
 When she shot down the moon  
<sup>G</sup>  
 As I saw my all freeze  
<sup>Bm</sup>  
 Down onto my knees  
<sup>Bm</sup>  
 Where I was hit at the hip, between the cup and the lip  
<sup>G</sup>  
 As I was struck down under, with lightning and thunder  
<sup>Bm</sup>  
 As she cut all the strings, that I'd tied to her wings  
<sup>G</sup> <sup>D</sup> <sup>Gbm</sup> <sup>Bm</sup>  
 Leaving me in the dark, we stood just feet apart  
<sup>A</sup> <sup>G</sup> <sup>A</sup> <sup>A7M</sup> <sup>D</sup>  
 But she never seen me at all
