

The Walters - Life

tom:
 D
 Life moves slowly now
 D Bm Em Gbm
 Momma said that the growing pains won't end
 Em
 It's the little bitty waves
 Gbm
 That'll keep the tide at bay
 D Bm
 Time flies through imaginary lines
 Em
 That hazy winter day
 Gbm
 Moving only in a daze
 D Bm Em Gbm
 Life moves slowly now
 D Bm Em Gbm
 Life moves slowly now
 D Bm
 Life moves so slow
 Em

It makes me wonder where it goes
 D Bm Em Gbm
 I stay dreaming of the place nobody knows

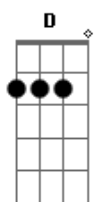

D Bm Em Gbm
 Life moves slowly now
 D Bm Em Gbm
 Life moves slowly now

Bm Gbm G D
 You should have known better, better
 Bm Gbm G D
 You should have known better, better
 Bm Gbm G D
 We could have been better, better
 Bm Gbm G D
 We could have been better, better

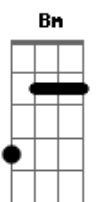

(D Bm Em Gbm)

D Bm Em Gbm
 Life moves slowly now
 D Bm Em Gbm
 Life moves slowly now
