

# The Wanted - I Found You

Tom: C  
Intro: Am F7

Verso 1:

She wants me to come over  
I can tell her eyes don't lie

She's calling me in the dark

She moves us where the room around the lights turn like the sky

Confidence like a rock star

Pré-Refrão:

I wanna put my hands on her hands  
Feel the heat from her skin

Get reckless in the starlight

I'm moving to the beat of her heart

I was so lost until tonight, tonight

Refrão:

I found you, in the darkest hour

I found you, in the pouring rain

I found you, when I was on my knees

And your light brought me back again

Found you in a river of pure emotion

I found you, my only truth

I found you, and the music playing

I was lost til I found you, you, you

Til I found you, you, you

Verso 2:

The night is getting older  
And I can't come off this high

I don't want this here to end

I know she feels the same  
Cause I can see it yeah in her eyes

She says can we start again

Pré-Refrão:

I wanna put my hands on her hands  
Feel the heat from her skin

Get reckless in the starlight

She's moving to the beat of my heart

We were so lost until tonight, tonight

Refrão:

I found you, in the darkest hour

I found you, in the pouring rain

I found you, when I was on my knees

And your light brought me back again

Found you in a river of pure emotion

I found you, my only truth

I found you, and the music playing

I was lost til I found you, you, you

Til I found you, you, you

Ponte:

I said, people

We're all looking for love tonight

But sometimes we can't see it

We're all blinded by light

And we all get low, all get low

Searching for that piece of mind

Just when I've given up

Looking for some kind of sign

That's when I found you, you, you

I found you, you, you

I found you, you, you

I found you, you, you

Refrão:

I found you, in the darkest hour

I found you, in the pouring rain

I found you, when I was on my knees

And your light brought me back again

Found you in a river of pure emotion

I found you, my only truth

I found you, and the music playing

I was lost.... til I found you!
