

The Wanted - Lie To Me

Tom: E

m ^{Em} ^{Em}
^{C7M}
 Say it, though you're looking down and to the left, now
 Say it, like someone who really means it ^{Bm}
 Do it, 'cause if you grow a conscience, now
^{Em D C}
 We fall down
^{Em} ^{Em}
 Smiling, like there's nothing wrong ^{C7M}
 You're good at smiling, so keep it plastered on ^{Bm}
 Until the morning, 'cause if you shift to genuine
^{Em D C}
 Then we'll fall out

(We fall out)
^{C7M C D}
 And we fall down

^{G G D Em}
 Don't say it's all for the better ^D
 Oh, I need you to lie, to lie to me
^{G G D Em}
 I'll stand for the greatest pretender
^{C G D}
 I know you won't die for me
^{Am}
 But say you will
^{G D Em}
 Just lie to me, to me

^{Em Em}
 So kiss me and tell me I'm the one ^{Bm}
^{C7M}
 There's no other, no other one you want
 Baby, kiss me, make sure you close your eyes
^{Em D C}
 Or we fall down
^{C C D}
 Yes, we fall down
^{G G D Em}
 Don't say it's all for the better ^D

Oh, I need you to lie, to lie to me
^{G G D Em}
 I'll stand for the greatest pretender
^{C G D}
 I know you won't die for me
^{Am}
 But say you will
^{G D}
 Just lie to me, to me
^{C G D Em}
 Now I can see, you bite your lip when you look at me
^{C G D Em}
 One word, you say, and everything is giving you away
^{C G D}
 Let's close our eyes and save the truth for one more night
^{Em D C}
 Or I fall down
^{C7M C D}
 Or I fall down

^{G G D Em}
 Don't say it's all for the better ^D
^{C G}
 Oh, I need you to lie, to lie to me
^{G G D Em}
 I'll stand for the greatest pretender
^{C G D}
 I know you won't die for me
^{G G D Em}
 Don't say it's all for the better ^D
^{C G}
 Oh, I need you to lie, to lie to me
^{G G D Em}
 I'll stand for the greatest pretender
^{C G D}
 I know you won't die for me
^{Am}
 But say you will
^{G D Em}
 Just lie to me, to me

^{G G D Em}
 Don't say it's all for the better ^D
^{C G}
 Oh, I need you to lie, to lie to me
^{G G D Em}
 I'll stand for the greatest pretender
^{C G D}
 I know you won't die for me
