You think you see me
You haven't seen nothin
I'm looking for something more than this
I'm feeling no limits
I'm seising each minute
             D
Don't wanna, don't wanna just exist
Don't want my feet on the ground
Wanna feel the speed of sound
I want it now, I wanna fly
Like a rocket to the sky
Going up a million miles
                                Fm
And I'm not coming down
Won't stop till I feel the sky at my feet
G (D) Em
My dreams on my wings, I'm flying
   C D G Em
Flying high
I'm climbing I'm rising
I'm striking like lightning
Write my name in sky writing for all to see
I'll do something epic
```

```
And they won't forget it

I want the ride of my life
Wonder at the speed of light
Want it now, I wanna fly
Like a rocket to the sky
