

The Warning - Black Holes (Don't Hold On)

tom:
D (forma dos acordes no tom de Db)
Capostrate na 1ª casa

C G
All alone in an alleyway

Am
Staring at my face
F
In the reflection of broken bottles

C G
Didn't know I had this many scars

Am
I thought I'd won
F
All my different battles

C G
But I'm corrupt I got nothing left
Am F
Spent all my love trying to forget
C G
Ignore your calls and I throw the phone away
Am
Please believe me when I say

[Refrão]
F G
Don't hold on, don't hold on
Am
Don't hold on to me
F G
Don't hold on, don't hold on
Am
I got nothing left to give

F G
Cause I keep on coming begging for more
Am
And I'm slowly falling crashing below
F G Am
And the things I used to hold so close they burn

F G
And the love that used to shine so bright
Am
Was shattered like the satellites
F G Am
And the venom starts to swallow me whole

Like black holes
(C, G, Am, F) 1x

C G
And I know that you tried to stay
Am F
But my awful ways you will never overlook
C G Am
And all the things that hurt me they got no remedy
F
And they start hurting you too

C G
Cause I'm corrupt I got nothing left
Am F
Spent all my love trying to forget
C G
Ignore your calls and I throw the phone away
Am
Please believe me when I say
