

# The Warning - Black Holes (Don't Hold On)

tom:  
 D (forma dos acordes no tom de Db )  
 Capostraste na 1ª casa

<sup>C</sup> All alone in an alleyway  
<sup>Am</sup> Staring at my face  
<sup>F</sup> In the reflection of broken bottles

<sup>C</sup> Didn't know I had this many scars  
<sup>Am</sup> I thought I'd won  
<sup>F</sup> All my different battles

<sup>C</sup> But I'm corrupt I got nothing left  
<sup>Am</sup> Spent all my love trying to forget  
<sup>C</sup> Ignore your calls and I throw the phone away  
<sup>Am</sup> Please believe me when I say

[Refrão]  
<sup>F</sup> Don't hold on, don't hold on  
<sup>Am</sup> Don't hold on to me  
<sup>F</sup> Don't hold on, don't hold on  
<sup>Am</sup> I got nothing left to give

<sup>F</sup> Cause I keep on coming begging for more  
<sup>Am</sup> And I'm slowly falling crashing below  
<sup>F</sup> And the things I used to hold so close they burn

<sup>F</sup> And the love that used to shine so bright  
<sup>Am</sup> Was shattered like the satellites  
<sup>F</sup> And the venom starts to swallow me whole

Like black holes  
 (C, G, Am, F ) 1x

<sup>C</sup> And I know that you tried to stay  
<sup>Am</sup> But my awful ways you will never overlook

<sup>C</sup> And all the things that hurt me they got no remedy  
<sup>F</sup> And they start hurting you too

<sup>C</sup> Cause I'm corrupt I got nothing left  
<sup>Am</sup> Spent all my love trying to forget  
<sup>C</sup> Ignore your calls and I throw the phone away  
<sup>Am</sup> Please believe me when I say

[Refrão]  
<sup>F</sup> Don't hold on, don't hold on

Don't hold on, don't hold on  
<sup>Am</sup> Don't hold on to me  
<sup>F</sup> Don't hold on, don't hold on  
<sup>Am</sup> I got nothing left to give

<sup>F</sup> But I keep on coming begging for more  
<sup>Am</sup> And I'm slowly falling crashing below  
<sup>F</sup> And the things I used to hold so close they burn

<sup>F</sup> And the love that used to shine so bright  
<sup>Am</sup> Was shattered like the satellites  
<sup>F</sup> And the venom starts to swallow me whole

Like black  
<sup>F</sup> Oh oh oh oh oh holes

Like black  
<sup>F</sup> Oh oh oh oh oh holes

(REFRÃO 1a Parte)  
<sup>F</sup> Don't hold on, don't hold on  
<sup>Am</sup> They don't hold on to me  
<sup>F</sup> Don't hold on, don't hold on  
<sup>Am</sup> I got nothing left to give

[Ponte]  
<sup>F</sup> Don't hold on, don't hold on  
<sup>Am</sup> I surrender in my defeat  
<sup>F</sup> Don't hold on, don't hold on  
<sup>Am</sup> Even black holes let me be!
