Intro: **B** **Em** **C** **Em** **D** **C** **B** **E** **Em**

**Em** **C**  
The rush that's in my veins

I can't control it  
Tell me why **G**

This voice that's in my head is getting stronger **B**  
Tell me how **E**

The aching in my bones is taking over **C**  
Tell me why **C** **G**

My blood ain't spilling red I'm freaking out **B**  
Feeling for nothing at all **D** **Em** **D** **Em** **D** **Em** **B**

'Cause I found out dull knives cut better **E** **C**

Choke on all my scarlet letters **G** **B**  
Don't know what I'm feeling anymore **E**  
Needles piercing through my brain **C**  
Slowly inflicting the pain **C**  
I'm plucking roses but keeping the thorns **G** **B**

**Em** **C**  
The truth sinks deeper slipping through my fingers

Tell me why **G**

Pain's ripping up my skin, can't take it back now **B**  
Tell me how **E**

**Am** I supposed to understand? **C**

Oh, help me **G**  
Tell me why **G**

I hate to live like this, can't save me now **B**
