

The Warning - Runaway

Tom: E

Gb B
Safe haven isn't safe at all The game they're playing slowly starts to fall

E B
Nothing's good but nothing's truly bad Your only option's going down this path

E Gb
We keep building all these walls and They love to see them fall We were born to die

E B Gb Eb
But you're not blinded by the light You know what is wrong what's right You were born to survive

Ab E B Eb
Cause you don't need no revelation You'll be fine with being lost

Ab E B Eb
You don't need their sweet salvation You'll survive without their luck

E Ab B Eb
Run run run away run away child If not from death, then run from life!

E Ab B Eb
Run run run away run away child Escape the truth destroy the lies!

E Ab B
Don't worry about the other suicidal lovers Psychopathic blood that spills

E Ab B Eb
Run run run away run away child From who you were from who you are!
