## The Weekend - I Feel It Coming

```
(com acordes na forma de C )
Capostraste na 3º casa
Tell me what you really like
Baby I can take my time
We don't ever have to fight
Just take it step-by-step
I can see it in your eyes
Cause they never tell me lies
I can feel that body shake
And the heat between your legs
                 Am7
You've been scared of love
And what it did to you
You don't have to run
I know what you've been through
               Am7
Just a simple touch
               Fm7
And it can set you free
We don't have to rush
```
