

# The Weeknd - Earned It

Tom: Bb

(com acordes na forma de Capotraste na 3ª casa G )

You make it look like it's magic  
Cause I see nobody, nobody but you, you, you  
I'm never confused

Hey, hey  
I'm so used to being used

So I love when you call unexpected  
Cause I hate when the moment's expected  
So I'ma care for you, you, you  
I'ma care for you, you, you, yeah

Cause girl you're perfect  
You're always worth it

And you deserve it  
The way you work it

Cause girl you earned it  
Girl you earned it

You know our love would be tragic  
So you don't pay it, don't pay it no mind  
We live with no lies

Hey, hey  
You're my favorite kind of night

So I love when you call unexpected  
Cause I hate when the moment's expected  
So I'ma care for you, you, you  
I'ma care for you, you, you, yeah

Cause girl you're perfect  
You're always worth it

And you deserve it  
The way you work it

Cause girl you earned it  
Girl you earned it

On that lonely night

We said it wouldn't be love

But we felt the rush

It made us believe it was only us

Convinced we were broken inside, inside

Cause girl you're perfect

You're always worth it

And you deserve it  
The way you work it

Cause girl you earned it  
Girl you earned it
