

# The Weeknd - Hurry Up Tomorrow

tom:  
Intro: F Ab Bb F

F  
Wash me with your fire  
Who else has to pay for my sins?  
My love's fabricated, it's too late to save it  
Now I'm ready for the end  
So burn me with your light  
I have no more fights left to win  
Tie me up to face it, I can't run away, and  
I'll accept that it's the end

F  
And I hope that I find what I'm looking for  
I hope someone's watching from up above  
I'm done with the lies, I'm done with the loss  
I hope my confession is enough

F  
So I see heaven after love  
I want heaven when I die  
I wanna change  
I want the pain no more, hey

F  
I took so much more than their lives  
They took a piece of me

C Dm  
And I've been tryin' to fill that void that my father left  
So no one else abandons me, I'm sorry  
Bb  
I promise I'm sorry, yeah  
F  
But now I'm drownin' in the same tub where I learned how to swim  
C Dm  
With my mother trying to save every ounce of my innocence  
I failed her like I failed myself, I'm sorry (Yeah)  
Bb  
Mama, I'm sorry, oh, yeah
