[Primeira Parte]

Tell me what you really like  
Baby, I can take my time  
We don't ever have to fight  
Just take it step-by-step  
I can see it in your eyes  
'Cause they never tell me lies  
I can feel that body shake  
And the heat between your legs

[Pré-Refrão]

You've been scared of love  
And what it did to you  
You don't have to run  
I know what you've been through  
Just a simple touch  
And it can set you free  
We don't have to rush  
When you're alone with me

[Refrão]

I feel it coming  
I feel it coming, babe  
I feel it coming  
I feel it coming, babe  
I feel it coming  
I feel it coming, babe  
I feel it coming  
I feel it coming, babe  
I feel it coming  
I feel it coming, babe

[Segunda Parte]

You are not the single type  
So baby, this the perfect time  
I'm just trying to get you high  
And faded off this touch  
You don't need a lonely night  
So baby, I can make it right

You just got to let me try  
To give you what you want  
[Pré-Refrão]

You've been scared of love  
And what it did to you  
You don't have to run  
I know what you've been through  
Just a simple touch  
And it can set you free  
We don't have to rush  
When you're alone with me
