

The Weeknd - In The Night

Tom: C

Am
All alone she was living
G
In a world without an end or beginning
Em
Babygirl was living life for the feeling
F
But I don't mind, I don't mind
Am
And all the wrongs she committed
G
She was numb and she was so co-dependent
Em
She was young and all she had was the city
F
But I don't mind, I don't mind

Pre-Chorus:

Dm Em
And I know that she's capable of anything, it's riveting
Dm G
But when you wake up she's always gone, gone, gone

Hook:

Am
In the night she hears him calling
G Em
In the night she's dancing to relieve the pain
F
She'll never walk away (I don't think you understand)
Am
In the night when she comes crawling
G Em
Dollar bills and tears keep falling down her face
F
She'll never walk away (I don't think you understand)

Verse 2:

Am
He sang a song when he did it
G
He was cold and he was so unforgiving
Em
Now she dances to the song on the minute
F
Yeah, all the time, all the time
Am
It make her weak when she hear it
G
And it got her on her knees like religion
Em
She was young and she was forced to be a woman
F
Yeah, all the time, all the time

Pre-Chorus:

Dm Em
And I know that she's capable of anything, it's riveting
Dm G
But when you wake up she's always gone, gone, gone

Hook 2x:

Am
In the night she hears him calling
G Em
In the night she's dancing to relieve the pain
F
She'll never walk away (I don't think you understand)
Am
In the night when she comes crawling
G Em
Dollar bills and tears keep falling down her face
F
She'll never walk away (I don't think you understand)
I don't think you understand...
