

# The Weeknd - In The Night

Tom: C

Am  
All alone she was living  
G  
In a world without an end or beginning  
Em  
Babygirl was living life for the feeling  
F  
But I don't mind, I don't mind  
Am  
And all the wrongs she committed  
G  
She was numb and she was so co-dependent  
Em  
She was young and all she had was the city  
F  
But I don't mind, I don't mind

Pre-Chorus:

Dm Em  
And I know that she's capable of anything, it's riveting  
Dm G  
But when you wake up she's always gone, gone, gone

Hook:

Am  
In the night she hears him calling  
G Em  
In the night she's dancing to relieve the pain  
F  
She'll never walk away (I don't think you understand)  
Am  
In the night when she comes crawling  
G Em  
Dollar bills and tears keep falling down her face  
F  
She'll never walk away (I don't think you understand)

Verse 2:

Am  
He sang a song when he did it  
G  
He was cold and he was so unforgiving  
Em  
Now she dances to the song on the minute  
F  
Yeah, all the time, all the time  
Am  
It make her weak when she hear it  
G  
And it got her on her knees like religion  
Em  
She was young and she was forced to be a woman  
F  
Yeah, all the time, all the time

Pre-Chorus:

Dm Em  
And I know that she's capable of anything, it's riveting  
Dm G  
But when you wake up she's always gone, gone, gone

Hook 2x:

Am  
In the night she hears him calling  
G Em  
In the night she's dancing to relieve the pain  
F  
She'll never walk away (I don't think you understand)  
Am  
In the night when she comes crawling  
G Em  
Dollar bills and tears keep falling down her face  
F  
She'll never walk away (I don't think you understand)  
I don't think you understand...
