

The Weeknd - Sacrifice

tom:

Bm

Intro: B

[Primeira Parte]

I was born in a city

Where the winter nights don't ever sleep

So this life's always with me

The ice inside my veins will never bleed

My, ooh!

My, ooh!

[Segunda Parte]

B

Every time you try to fix me

I know you'll never find that missing piece

When you cry and say you miss me

I lie and tell you that I'll never leave

[Pré-Refrão]

Bm7 A

But I sacrifice (sacrifice)

Your love for more of the night (of the night)

I try to put up a fight (up a fight)

Can't tie me down

[Refrão]

Bm7 G7M

I don't wanna sacrifice

For your love, I try

I don't wanna sacrifice

But I love my time?

My, ooh!

My, ooh!

G7M B

My, ooh!

My, ooh!

[Terceira Parte]

I hold you through the toughest parts

B

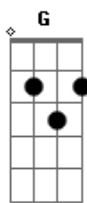

When you feel like it's the end

Cause life is still worth living

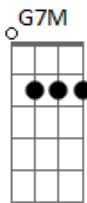

Yeah, this life is still worth living

I can break you down and pick you up
