Made your whole year in a week too, yah

Main bitch out your league too, ah

Side bitch out of your league too, ah

(pré-refrão)

House so empty, need a centerpiece

Twenty racks a table cut from ebony

She cut that ivory into skinny pieces

Am  
Then she clean it with her face, man, I love my baby

You talking money, need a hearing aid

You talking 'bout me, I don't see a shade

Switch up my style, I take any lane

I switch up my cup, I kill any pain

(refrão)
