

The White Buffalo - Ballad Of A Dead Man

tom:

Intro: Em D C G D C G

[Primeira Parte]

The moon lights up
 Over the battlefield now
 With a blistering heat somehow
 Lifeless limp and broken hearts are dead
 They should have just stayed home instead
 And stayed alive

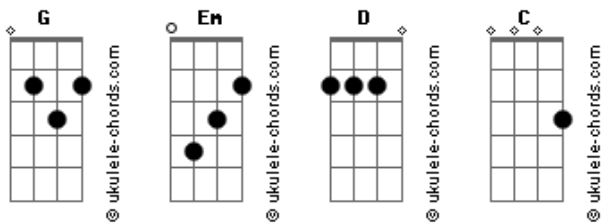

[Segunda Parte]

A letter arrives
 It glistens a mother's eyes
 She wonders where, when and why
 She could have tucked him in his bed
 With a kiss on his cheek and his head
 Where he'd still lie

[Refrão]

Well the moon and stars can't cast shadows on what is wrong
 Our boys are dead
 They've been mislead

Acordes

Nothin more

[Terceira Parte]

The sun light up
 Brings sparkles in the morning light
 Rubs her belly, bows her head to cry
 She lost him before they were wed
 But he's there in her heart and her head
 He'll stay alive

[Refrão]

Well the moon and stars can't cast shadows on what is wrong
 Our boys are dead
 They've been mislead
 Nothin more
