The White Buffalo - Go The Distance

```
Tom: A
Intro: A  D  Gbm  E
       A  D  Gbm  E

         A
She was down at the bar
         D
At the neighborhood
       Gbm
Where gossip runs quick
         E
When the liquor's good
A
Truth and drinks
        D
They get watered down
     Gbm
She overheard someone
       E
I was messin' around

A                       D
People talk and that's understood
         Gbm
But don't listen to him
           E
He's a fucking peckerwood
A                       D
And all that shit comes off my shoe
        Gbm
Doesn't matter to me
       E
But it matters to you

D               A       E   D
You and I will go the distance
                A       E   D
Take you past the sun to the stars
              A       E   D
Your love is my only existence
                    A     E
Your line is just the way I walk

         A
I got a pocket full of money
       D
Full tank of gas
        Gbm
You're not just my woman
          E
You're a piece of ass
A                       D
Sittin' right at home on a bar stool
         Gbm
You can hold your liquor
        E
But you can't shoot pool

A                     D
We get hungry on the drive home
         Gbm
Maybe we got drunk
       E
Maybe we got stoned
A                     D
Well late night at the drive thru
           Gbm
I'll have a number one
```

```
                    E
She'll have a number two

D               A       E   D
You and I will go the distance
                A       E   D
Take you past the sun to the stars
              A       E   D
Your love is my only existence
                    A     E
Your line is just the way I walk
D               A       E   D
You and I will go the distance
                A       E   D
Take you past the sun to the stars
              A       E   D
Your love is my only existence
                    A     E
Your line is just the way I walk

( Gbm   E   A )

               D           Gbm   E   A
I just wanna be with you
         D         Gbm    E   A
Until my days are through
            D  A  E
You are my only truth

( A   D   Gbm   E )
( A   D   Gbm   E )

           A
You can spend my money
     D
However you want
Gbm                       E
Throw it in the fire till it's all gone
     A
Defend my honor
       D
Even when I'm wrong
        Gbm
Your heart is like a pistol
          E
And your body's like a love song

D               A       E   D
You and I will go the distance
                A       E   D
Take you past the sun to the stars
              A       E   D
Your love is my only existence
                    A     E
Your line is just the way I walk
D               A       E   D
You and I will go the distance
                A       E   D
Take you past the sun to the stars
              A       E   D
Your love is my only existence
                    A     E
Your line is just the way I walk

( D   A   E )
