

# The White Buffalo - John Jameson

Tom: **C**

Well, I'm sloshed and seeing the stars, stumbling between bars, **C**

**C** Curse you Jameson, you have destroyed me once again. **C**

**F** But I need you, I need you now. **C**

**C** I'm Bruised and busted now, got to get to you somehow. **C**

**C** Well, I can't stop before I start, to dry this drowning heart. **C**

**F** Oh, I need you now, I need you now. **C**

**G** **C** I think I drank more than my fill, and that explains the evil in my eye. **F**

**C** I'm lost in the middle of a drunk, I'm not sinking, I have sunk, **C**

**C** Well I'm sloshed and seeing the stars. **C**

To the shadows at your back door, you scream you don't need me no more.

**F** Oh, I need you now, I need you now. **C**

**G** **C** In this fog there's just John and me, help me find the remedy tonight. **F**

**G** **C** And when there's only wrong in me there's nothing that can lead me to the light. **F**

**Am** **C** Oh, I need you, like the flowers need the rain.

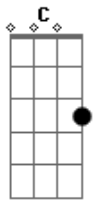

**Am** **C** I don't need you, there's no flowers only pain.

**F** **C** Behind the empty of your eyes I see the sadness and the blame,

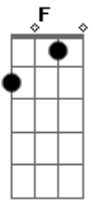

**F** **C** In the darkness of my heart, there's only shame. **C**

**C** Well I'm sloshed and seeing the stars. **C**
