

# The White Buffalo - John Jameson

Tom: C

Well, I'm s<sup>C</sup>loshed and seeing the stars, s<sup>C</sup>tumbling between bars,

C<sup>C</sup>urse you Jameson, you have destroyed me once again.

But I need you, I need you now.

I'm Bruised and busted now, got to get to you somehow.

Well, I can't stop before I start, to dry this drowning heart.

Oh, I need you now, I need you now.

I think I drank more than my fill, and that explains the evil in my eye.

I'm lost in the middle of a drunk, I'm not sinking, I have sunk,

Well I'm s<sup>C</sup>loshed and seeing the stars.

To the shadows at your back door, you scream you don't need me no more.

Oh, I need you now, I need you now.

In this fog there's just John and me, help me find the remedy tonight.

And when there's only wrong in me there's nothing that can lead me to the light.

Oh, I need you, like the flowers need the rain.

I don't need you, there's no flowers only pain.

Behind the empty of your eyes I see the sadness and the blame,

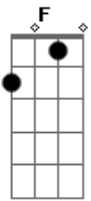

In the darkness of my heart, there's only shame.

Well I'm s<sup>C</sup>loshed and seeing the stars.
