Guess I'll <sup>F</sup>walk my ass downtown  
 I'm so sick and tired of feeling <sup>Am</sup>lonely  
 Come on up from underground <sup>F</sup>  
 Maybe this time I will find my one and only <sup>Am</sup>  
 Got an angel on my left <sup>C</sup>  
 Whispering sweet nothings to me <sup>E7</sup>  
 Got the devil on my right <sup>Am</sup>  
 Says look who's back up on the scene <sup>F</sup>  
 So I duck in to a dive <sup>Am</sup>  
 Two tens and a five's all I got on me <sup>F</sup>  
 I sit down for a spell  
 Best I just drink from the well <sup>Am</sup>  
 For the money <sup>C</sup>  
 A drink for a drink  
 A heart for a heart <sup>E7</sup>  
 Don't know if I'll stay long <sup>Am</sup>  
 Seems like a damn good place to start <sup>F C E7 Am</sup>

Singing ba bada ba bada ba bada ba

<sup>F</sup>The sun crashes into night  
 Borracho to my right  
 His red eyes on me <sup>Am</sup>  
 Says his name Jesus <sup>F</sup>  
 The devil's off the noose <sup>Am</sup>  
 And coming for me <sup>C</sup>  
 I order one more round  
 Shake my head in disbelief <sup>E7</sup>  
 Start thinking to myself <sup>Am</sup>  
 This is a place you'll never leave <sup>F C E7 Am</sup>  
 Singing ba bada ba bada ba bada ba  
 He's heading for the door <sup>F</sup>  
 He floats across the floor <sup>Am</sup>  
 Like an angel <sup>F</sup>  
 Crown of thorns goes up in flames <sup>Am</sup>  
 Laughing and deranged like the devil <sup>C</sup>  
 Collapses at the Jukebox  
 Praying hands upon his knees <sup>E7</sup>  
 Cries the last call to heaven <sup>Am</sup>  
 Was in nineteen eighty three <sup>F C E7 Am</sup>  
 Singing ba bada ba bada ba bada ba
