

The White Buffalo - Love Song #2

Tom: C

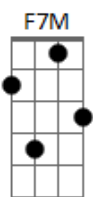

C
 nine hours away F7M C count the minutes pass the days F7M
C I'm all wrapped up in an F7M endless haze G I'm missing you
C wish you could poison me with your stare F7M
C heart and soul beyond repair F7M C but you sit idley F7M unaware
G
 that i was missing you
C oh my darlin will i see you again F7M C F7M C i'd rather just pretend
 that you're
G C around oh my darlin will i see you again F7M C F7M C i'd rather just
 pretend that
G
 you're around
C got drunk another fight F7M C it helps me sleep through the night F7M
C well i still stare at your picture every night F7M well i was G

kissin' you
C memories explode in thin air F7M C fireworks of times we shared F7M
C cause you sit idley F7M unaware G that i was missin' you
C oh my darlin' will i see you again F7M C F7M C i'd rather just pretend
 that you're
G C around oh my darlin will i see you again F7M C F7M C i'd rather just
 pretend that
G F G C you're around all the laws and the sun don't seem to F7M
 play
C G C spend my days and my nights alone
C oh my darlin' will i see you again F7M C F7M C i'd rather just pretend
 that you're
G C around it's alarming how my thoughts of you will send F7M C
F7M me to a place i can pretend that you're G around
