

The White Buffalo - Love Song #2

Tom: C

C
 nine hours away F7M C count the minutes F7M pass the days
C
 I'm all wrapped up in an F7M endless haze G I'm missing you
C
 wish you could poison me with your F7M stare
C
 heart and soul beyond F7M repair C but you sit F7M idley unaware
G
 that i was missing you
C
 oh my darlin will i see you again F7M i'd rather just pretend C F7M that you're C
G
 around C oh my darlin will i see you again F7M i'd rather just C F7M pretend that C
G
 you're around
C
 got drunk another F7M fight C it helps me sleep through the F7M night
C
 well i still stare at your picture F7M every night G well i was

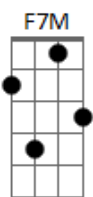

kissin' you

C
 memories explode in thin air F7M C fireworks of times we F7M shared
C
 cause you sit F7M idley unaware G that i was missin' you
C
 oh my darlin' will i see you again F7M i'd rather just pretend C F7M that you're C
G
 around C oh my darlin will i see you again F7M i'd rather just C F7M pretend that C
G
 you're around F all the laws G and the sun don't seem to C play F7M
C
 spend my days and my nights alone
C
 oh my darlin' will i see you again F7M i'd rather just pretend C F7M that you're C
G
 around C it's alarming how my thoughts of you will send F7M
F7M
 me to a place i can pretend that you're C around G
