

The White Buffalo - The Drifter

tom:

G

I'm a dog, I'm a drifter **C C**
 I don't even miss them at all **C C7 F**
 Stars align and they fall **G**
 Burn out and wait for last call **F**

I'm a memory, your shadow **C C**
 A distant and fleeting refrain **C C7 F**
 Lost in my dreams, in my shame **G**
 Yet a flicker of hope still remains **F**

C C C C7
 The saints, the sinners, the losers, the winners **F**
 It's all their fault **C**
 Lets get some more alcohol **G**
 And wash them away **C C**
 I'm smoke, I'm a moment **C C7 F**
 Will they even remember my name? **G**
 Take what's left, throw it into the flame **F**
 Let it rush through the streets in my veins **C C C C7**

The saints, the sinners, the losers, the winners **F**
 It's all their fault **C**
 Lets get some more alcohol **G G7**
 And wash them away **Am**
 Wash them away **F**
 In the heart of the night in the tatters **F**
 Wash them away **C**
 In the barrooms, inside of what matters **C**
 Wash them away **G G7**
 I guess I got what's coming to me **Am**
 So I wash them away **F**
 Wash them away **C C C C7**
 The saints, the sinners, the losers, the winners **F**
 It's all my fault **C**
 Lets get some more alcohol **G G7**
 And wash them away **C C**
 I'm a dog, I'm a drifter **C C7 F**
 I don't even miss them at all **G**
 Stars align and they fall **F**
 Burn out and wait for last call
