

The White Buffalo - The Observatory

Tom: C
Intro: C F G C F

Everybody bleeds
Everybody hurts
Everybody feels
Everybody cries
Everybody dreams
Everybody wants
Everybody needs
Love

Into my mind, into the deep
Taking me up to the observatory
See if the moon and the stars agree
To take me out
Where is the answer
Where you been hiding
What's you been running from
Two worlds colliding
Everybody hides
Everybody bleeds
Everybody wants
Everybody needs
Love
but maybe i ain't the one
Maybe i ain't the one
(C F G)
The horizon calls from the east
Oh the sky, it begs and pleads
Get up boy off your knees
Look around
Everybody hides

Everybody bleeds
Everybody hurts
Everybody feels
Everybody cries
Everybody dreams
Everybody wants
Everybody needs
Love
And i am one
I am one
(C F G)
Everybody hides
Everybody bleeds
Everybody hurts
Everybody feels
Everybodys right
Everybodys wrong
Everybodys old
Everybodys young
Everybodys low
Everybodys high
Everybody lives
Everybody dies
Everybody cries
Everybody dreams
Everybody wants
Everybody needs
Love
And i am one
I am one
(C F G)

Acordes

Four ukulele chord diagrams are shown, each with a copyright notice for ukulele-chords.com:

- C:** A diagram of a four-string ukulele with a single black dot on the second string, second fret.
- F:** A diagram of a four-string ukulele with black dots on the first string (first fret), second string (second fret), and third string (third fret).
