

# The White Buffalo - Where Dirt And Water Collide

Tom: C  
Intro: C

Summer wind is blowin' in  
Can I hide in your breeze awhile?  
And I saw it rise, with you my friend  
'Til I reached the tide side  
Where the dirt and water collide

Let the <sup>F</sup>  
Let the sun <sup>C</sup>

The morning sun has just begun  
Can I bathe in your heat and light?  
It's washed in red, it must go down again  
Not too soon can you arrive  
Well, I'll wait for you through the night

Let the sun fill me up again <sup>F</sup> <sup>C</sup>  
Let the sun light me up, don't let it dim <sup>F</sup> <sup>C</sup>
