You got a reaction
You got a reaction didn't, you?
You took a white orchid
You took a white orchid turned it blue
Something better than nothing
Something better than nothing, it's giving up
We all need to do something
Try keep the truth from showing up

RIF **F** 2

How dare you
How old are you now, anyway?
How dare you
How old are you now, anyway?
How dare you
How old are you now, anyway?

RIF **F** 1

You're given a flower
But I guess there's just no pleasing you
Your lips tastes sour
But you think that it's just me teasing you
You got a reaction
You got a reaction, didn't you?
You took a white orchid
You took a white orchid turned it blue

RIF **F** 2

Get behind me
Get behind me now, anyway
Get behind me
Get behind me now, anyway

RIF **F** 3

Get behind me
Get behind me now, anyway

RIF **F** 1

You got a reaction
You got a reaction, didn't you?
You took a white orchid
You took a white orchid turned it blue
