

The White Stripes - Cannon

Tom: **G**

hold and lead into...

CANNON

I'm doing this by memory so peice it together by listening to it and youll get it...
I think its a lot better than the other one...

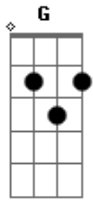

johnny rebel ridin' part (**E** and **G** chord)...listen for strumming

the solo thing goes like

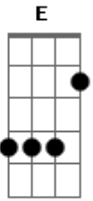

after a while it goes into

well since i havnt listened to the song in a while and dont have it available thats it...good luck.
