

# The White Stripes - Catch Hell Blues Intro

Tom: C

Right Tune Your Guitar to DADGBE if you dont know how to do this then just turn up your detune your E string till it sounds same as the D string. A slide is not required but make it sound better

Its not perfect but its quite near you should listen to the song to get the missing but most there.

Bridge

```

E|-----|
B|-----|
G|-----|
D|---- 7X----9X---- 10X---- 12X-----|
A|-----|
D|--/7--- /9--- /10----/12-----|
    
```

Main Riff

bridge 2

## Acordes
