Verse:

G  
Well if you've been a married woman

Divorce is the key to being loose and free

But you're gonna be talked about  
G  
Everybody knows that you loved once  
C  
They think you'll love again  
You can't have a male friend  
G  
When you're a has been  
D G  
Or a woman you're Rated X

G (repeatedly strum)

Chorus:

C  
And if you're Rated X  
You're some kind of gold  
G D  
That even men turn uncivil try to make  
C  
But I think it's wrong  
To judge every picture  
G D  
if a cheap camera makes a mistake

Verse:

G  
So if you're best friend's husband says to you  
C  
that you've started looking good  
You should have known he would  
G  
And he would if he could  
D G  
And he will if you're Rated X  
G  
Well nobody knows where you're going  
But they sure know where you've been  
All their thinking of is your experience in love  
D  
Well their minds fill up with sin  
G  
The women all look at you like you're bad
