

The White Stripes - You've Got Her In Your Pocket

Tom: C

Intro: 2x: D G C Bm A

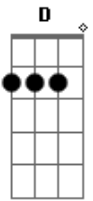

D You've got her in your pocket
C G A
And theres no way out now
D Put it in the safe and lock it
C G A
'Cause it's home sweet home
Am Nobody ever told you that it was the wrong way
Am To trick a woman, make her feel she did it her way
C And you'll be there if she ever feels blue
C And you'll be there when she finds someone new
A D
What to do, well you know
G
You keep her in your pocket
C G A
Where theres no way out now
D Put it in the safe and lock it
C G A A (Am) 2x
'Cause it's home sweet home
Am The smile on your face made her think
G D
She had the right one
Am Then she thought she was sure
G D
By the way you two could have fun
C But now she might leave
G G
Like shes threatened before
C

Grab hold of her fast
Before her feet leave the floor
A
And shes out the door
D
'Cause you want
G
To keep you in my pocket
C G A
Where theres no way out now
D Put it in the safe and lock it
C G A A (Am) 2x
'Cause it's home sweet home
Am And in your own mind
G D
You know you're lucky just to know her
Am And in the beginning all you wanted
G D
Was to show her
C But now you're scared
G
You think shes running away
C You search in your hand for something clever to say
A
Dont go away
D
Cause I want
G
To keep you in my pocket
C G A
Where theres no way out now
D Put it in the safe and lock it
C G A
'Cause it's home sweet home
C G A
Home sweet home
