

The Whitest Boy Alive - Burning Intro

Tom: **A**

Tabbed by: Johan Lindblad
Email:

Tuning: Standard tuning

I think this should be pretty much accurate. I don't know about the last part really but close enough. The timing is not 100% but it should be enough to help you out.
I haven't figured out the little intro solo yet (or the rest of the song) but if someone do it.
