G                          G                          G      G
  Got a feeling twenty-one is gonna be a good year
   G                          G                 G      G
Especially if you and me see it in together
Eb                              Bb  Bb                Eb
Bb  Bb
  So you think twenty-one is     gonna be a good year
Eb                                    Bb  Bb
Eb     Eb
Could be good for me and her but     you and her, no never

        Cm7                                                  Bb
Bb   G   G
 But somehow when you smile I can brave bad weather

G                          C  G7                          C
  What about the boy?       What about the boy?
G                          C       G7    G    C
  What about the boy he saw it all

                    F                          D7
You didn't hear it, you didn't see it
                          G                               E7
You won't say  nothing to no one never in your life
                    Am                C7
Bb             F
```

```
 You never heard it, how absurd it all seems without any proof
                          F                          D7
You didn't hear it, you didn't see it
                          G                   E7
You never heard it, not a word of it
                               Am
You won't say nothing to no one
C7                                          Bb                F
C    G7
Never tell a soul , what you know is the truth

G                          G                                 G      G
  Got a feeling twenty-one is gonna be a good year
   G                          G                 G      G
Especially if you and me see it in together
