

The Who - A Legal Matter

Tom: **A**

I told you why I changed my mind
 I got bored by playing with time
 I know you thought you had me nailed
 But I've freed my head from your garden rails

Now it's a legal matter, baby
 You got me on the run
 It's a legal matter, baby
 A legal matter from now on

My mind's lost in a household fog
 Wedding gowns and catalogs
 Kitchen furnishings and houses
 Maternity clothes and baby's trousers

Now it's a legal matter, baby
 Marryin's no fun
 It's a legal matter, baby
 A legal matter from now on

I told you why I changed my mind
 I got bored by playing with time
 I know you thought you had me nailed
 Well, I've freed my head from your garden rails

Now it's a legal matter, baby
 You got me on the run
 It's a legal matter, baby
 A legal matter from now on

You ain't the first and you ain't the last
 I gain and lose my women fast
 I never want to make them cry
 I just get bored, don't ask me why

Just wanna keep doing all the dirty little things I do
 And not work all day in an office just to bring my money back
 to you
 Sorry, baby
