

The Who - Blue, Red And Grey

Tom: D

:D D D D :

G **A**
 Some people seem so obsessed with the morning
G **A**
 Get up early just to watch the sun rise
G **A**
 Some people like it more when there's fire in the sky
G **A**
 Worship the sun when it's high
Em **B7**
 Some people go for those sultry evenings
Em **B7** **Em**
 Sipping cocktails in the blue, red and grey
Em7 **A7** **D** **D D...**
 But I like every minute of the day
G **Gbm** **G** **Gbm**
 I like every second, so long as you are on my mind
G **Bbdim**
 Every moment has its special charm
Bm **A7sus4** **A7**

It's all right when you're around, rain or shine

I know a crowd who only live after midnight
 Their faces always seem so pale
 And then there's friends of mine who must have sunlight
 They say a suntan never fails
 I know a man who works the night shift
 He's lucky to get a job and some pay
 And I like every minute of the day

I dig every second, I can laugh in the snow and rain
 I get a buzz from being cold and wet
 The pleasure seems to balance out the pain

And so you see that I'm completely crazy
 I even shun the south of France
 The people on the hill, they say I'm lazy
 But when they sleep, I sing and dance
 Some people have to have the sultry evenings
 Cocktails in the blue, red and grey
 But I like every minute of the day

G **A7** **D** **D D** **D D** **D D D D**
 I like every minute of the day
