

The Who - Blue, Red And Grey

Tom: D

:D D D D :

G A
Some people seem so obsessed with the morning
G A
Get up early just to watch the sun rise
G A
Some people like it more when there's fire in the sky
G A
Worship the sun when it's high
Em B7
Some people go for those sultry evenings
Em B7 Em
Sipping cocktails in the blue, red and grey
Em A7 D D D...
But I like every minute of the day

G Gbm G Gbm
I like every second, so long as you are on my mind
G Bbdim
Every moment has its special charm
Bm A7sus4 A7

It's all right when you're around, rain or shine

I know a crowd who only live after midnight
Their faces always seem so pale
And then there's friends of mine who must have sunlight
They say a suntan never fails
I know a man who works the night shift
He's lucky to get a job and some pay
And I like every minute of the day

I dig every second, I can laugh in the snow and rain
I get a buzz from being cold and wet
The pleasure seems to balance out the pain

And so you see that I'm completely crazy
I even shun the south of France
The people on the hill, they say I'm lazy
But when they sleep, I sing and dance
Some people have to have the sultry evenings
Cocktails in the blue, red and grey
But I like every minute of the day

G A7 D D D D D D D D
I like every minute of the day
