

# The Who - Blue, Red And Grey

Tom: D

:D D D D :

G A  
 Some people seem so obsessed with the morning  
G A  
 Get up early just to watch the sun rise  
G A  
 Some people like it more when there's fire in the sky  
G A  
 Worship the sun when it's high  
Em B7  
 Some people go for those sultry evenings  
Em B7 Em  
 Sipping cocktails in the blue, red and grey  
Em A7 D D D...  
 But I like every minute of the day  
G Gbm G Gbm  
 I like every second, so long as you are on my mind  
G Bbdim  
 Every moment has its special charm  
Bm A7sus4 A7

It's all right when you're around, rain or shine

I know a crowd who only live after midnight  
 Their faces always seem so pale  
 And then there's friends of mine who must have sunlight  
 They say a suntan never fails  
 I know a man who works the night shift  
 He's lucky to get a job and some pay  
 And I like every minute of the day

I dig every second, I can laugh in the snow and rain  
 I get a buzz from being cold and wet  
 The pleasure seems to balance out the pain

And so you see that I'm completely crazy  
 I even shun the south of France  
 The people on the hill, they say I'm lazy  
 But when they sleep, I sing and dance  
 Some people have to have the sultry evenings  
 Cocktails in the blue, red and grey  
 But I like every minute of the day

G A7 D D D D D D D D  
 I like every minute of the day
