

# The Who - Bucket T

Tom: Gb

Bucket bucket T T, bucket T bucket T,

A  
Bucket bucket T T, bucket T bucket T,  
Bucket bucket T T, bucket T bucket T,

Gb  
Found her in a barn in Tennessee  
I paid five bucks for my Bucket T  
Took me three years of sweat and blood  
To clean off all that Tennessee mud

B  
My Bucket T (Bucket T)

Gb  
Bucket T (Bucket T)

B  
My Bucket T (Bucket T)

Db  
My Bucket T (Bucket T)  
{horn arr for gtr}

T T T... Bucket bucket bucket...

Cruisin' down the street in front of school  
I wanna rev it up but I gotta be cool  
Drivin' down the road I'll get my kicks  
A'poppin' the clutch and slippin' the sticks

{repeat Chorus}

{second horn arr for gtr}

T T (Peter T) T.. Bucket bucket bucket...

Out the track city, she's first in her class  
There's nothing on the freeway she don't pass  
All the girls want to take a ride with me  
But there's only one seat in my Bucket T

{repeat Chorus}

Bucket T...

## Acordes
