

Tom: G

The Who - Going Mobile

```
{intro}
                                                               Play the tape machine, make the toast and tea when I'm mobile
                                                               Well, I can lay in bed with only highway ahead when I'm mobile
                                                               Keep me movin'
{intro continued; verse pattern}
                                                               Keep me movin'
         Ε
                                                    Gbm
                                                               Over fifty
                                                               Keep me movin'
                                                               Just a hippie gypsy
I'm going home, and when I wanna go home, I'm goin' moblie
                                                                D A
                                                                                              D A E....
                                                               C'mon move now movin'....
Well, I'm gonna find a home on wheels, see how it feels, goin'
mobile
                                                                        A A : D
                                                                                  A A ::: E...
Keep me movin'
                                                               Keep me movin' movin' movin' yeah...
I can pull up by the curb, I can make it on the road, goin'
                                                               Mobile, mobile....
I can stop in any street invitin' people that we meet, goin'
mobile
                                                                        D
Keep me movin' hmm...
                                                                 I don't care about pollution
{bridge}
                                                               That's my solution
            D
                  Em
                                                               Watch the police and the taxman miss me
 Out in the woods or in the city
                      C7M
                                                                    Ε
                                                                                  Ε....
It's all the same to me, when I'm drivin' free
                                                               I'm mobile!
                D
                            Ε...
The world's my home, when I'm mobile
                                                               {outro}
                                                               : E : D
                                                                           A : Gbm
                                                                                    : D
                                                                                                         : E :E
                                                                                                : Bm7
                    D A
```

Wee whoo, beep beep
